Convocation at Carleton University

The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

The Mace

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. (Marshal of Convocation H.H.J. Nesbitt has performed this function for all but one of the University's Convocations.) During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chairman of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English—"Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

Coat of Arms

Carleton University's coat of arms is described in heraldic terms as follows: "On a field sable; in radiants d'argent, a maple leaf gules charged with an open book; crest—a phoenix propre." It is comprised of a black shield bearing an open book on a red maple leaf surrounded by silver rays. The shield is surmounted by a phoenix, and below the shield is a scroll bearing the motto "Ours the Task Eternal."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The radiants are the light of learning. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 82 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

The Diploma

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chairman of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

Academic Dress

The academic dress of Carleton University is a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. Bachelor's is made of black stuff; master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: architecture is cerise; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; industrial design is dark cardinal; journalism is white with a black cord sewn slightly in from the lower border; music is venetian pink; public administration is peacock blue; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The bachelor's gown, to be worn with the above hoods, is of full length, made of black stuff, with a gathered yolk behind, and long open-fronted sleeves. The master's gown is of full style, made of black silk or rayon, with full gathered yolk behind, and closed sleeves with an opening at the elbows. The doctoral gown is the same style as the master's, made of fine royal blue cloth with facings of light blue silk.

The gown of the Honorary Doctor of Laws, Literature, Science, and Engineering is a full robe with bell-shaped sleeves, made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for degrees by examination, and is bordered with dark mauve for the degree Doctor of Laws; vibrant blue for the degree Doctor of Literature; red for the degree Doctor of Science; and orange for the degree Doctor of Engineering.

The Presiding Officer of Convocation is the Chancellor,

FR.S.C.

Honorary Degree Recipients

Anne Marguerite Squire, M.A., D.D.

Dr. Anne Squire, former Moderator of the United Church of Canada, is being awarded the degree of Doctor of Laws, *honoris causa*, at the morning Convocation ceremony, November 20, "in recognition of an outstanding career devoted to education in many forms, and exemplifying a concern for issues of spirituality heretofore largely inaccessible to women."

Dr. Squire was born in Amherstburg, Ontario in 1920. At the age of 15, she began a career in Christian education which was to span the next 40 years. She received her Bachelor of Arts degree and the Senate Medal for Outstanding Academic Achievement from Carleton University in 1972. In 1974, she received the Award for Judaic Studies from the National Council of Jewish Women. She continued her studies at Carleton and completed her Master's degree in 1975 "with distinction."

From 1977 to 1980, Dr. Squire was Chairperson of Project Ministry, a United Church of Canada General Council Steering Committee. In 1979-80, she was Chairperson of the Ontario Conference of Women for the United Church. She served on the Board of Managers of the Queen's Theological College at Queen's University from 1980 to 1985. She became Commissioner of the United Church's General Council in 1980, and in 1981, she was a member of the planning group that produced a supplementary report on human sexuality for the United Church. She was a member of the Theological Perspectives Unit, Division of Mission in Canada for the United Church. She was also Co-ordinator of Women's Studies at Carleton University and Chairperson of the University's Interdisciplinary Committee on Women's Studies. In 1982, Dr. Squire was appointed Secretary of the United Church Division of Ministry Personnel and Education, the first woman and the first layperson in this position. In 1986, Dr. Squire became the first laywoman Moderator of the United Church.

Dr. Squire is the author of numerous articles and books on women and religion, and religious education. She is the recipient of two honorary degrees. In 1980, she received a Doctor of Divinity from United Theological College at McGill University, and in 1985, she was awarded a Doctor of Divinity from Queen's Theological College at Queen's University.

The Right Honourable Brian Dickson, P.C., K.St.J., LL.B., LL.D., D.Cn.L.

The Right Honourable Brian Dickson, Chief Justice of Canada, is being awarded the degree of Doctor of Laws, *honoris causa*, at the afternoon Convocation ceremony, November 20, "in recognition of a distinguished career in the practice of law and the administration of justice."

Dr. Dickson was born in Yorkton, Saskatchewan in 1916. He was educated at the University of Manitoba and received his Bachelor of Laws degree from the Manitoba Law School in 1938. In 1940, he was called to the Bar of Manitoba.

During World War II, he served overseas with the Royal Canadian Artillery. He is presently Honorary Colonel of the 30th Field Regiment (Bytown Gunners) of the Royal Canadian Artillery.

From 1945 to 1963, Dr. Dickson practised law with Aikins, MacAulay, Moffat, Dickson, Hinch, and McGavin. During this period, from 1948 to 1954, he lectured at the Manitoba Law School. He was created Queen's Counsel in 1953 and appointed to the Court of Queen's Bench of Manitoba in 1963 and the Manitoba Court of Appeal in 1967. Dr. Dickson was appointed to the Supreme Court of Canada in 1973 and made Chief Justice of Canada in 1984.

Dr. Dickson is Chair of the Advisory Council of the Order of Canada as well as the Canadian Judicial Council. He is a Life Bencher in the Law Society of Manitoba and a member of the Council of Management of the British Institute of International and Comparative Law. He is Vice-Patron of the Heraldry Society of Canada and chaired the Board of Governors of the University of Manitoba from 1971 to 1973.

Throughout his career, Dr. Dickson has received many citations and honours for his achievements including: Honorary Bencher, Lincoln's Inn, London (1984); Honorary Professor, University of Manitoba (1985); Knight, Order of St. John (1985); and Honorary Fellow, American College of Trial Lawyers (1986). He has received honorary degrees from the University of Windsor (1988); McGill University (1987); Yeshiva University (1987); Laurentian University (1986); University of Toronto (1986); University of British Columbia (1986); York University (1985); Dalhousie University (1983); Queen's University (1980); University of Ottawa (1979); University of Saskatchewan (1978); University of Manitoba (1973); and St. John's College (1965).

Each year, Carleton University awards up to 600 entrance and in-course scholarships to undergraduate students who have demonstrated a high potential for academic achievement. These awards provide monetary incentives (a yearly total of \$575,000) to attract and recognize academic excellence. Awards range from \$50 to Carleton's prestigious "Chancellor's Scholarship," valued at \$16,000.
